11 July - L'Albarda Mediterranean Garden visit

The gardens are situated close to the Urbanisation of La Sella, between Pedreguer and Denia. **Urb. Muntanya de La Sella, Carrer Baix Vinalopò, 8, 03750 Pedreguer, Alicante.**

Created in 1990, the L'Arbarda garden shows the great richness of the flora and the fauna of the Mediterranean. It has an area of about 50,000 m² in which there are 700 species of indigenous plants. The garden creates the image of the old Renaissance gardens of the Valencia region, influenced by the Arab culture. One of the objectives is to provide a model of sustainable gardening with low water consumption, helping to re-establish an ecological balance.

Our evening starts with a guided tour of the gardens in English, lasting about 1.5 hours. This will be followed by light refreshments and the opportunity to wander around, relax, take some photos and enjoy the beautiful gardens.

We will meet at 5.45. The tour will commence at 6pm, with refreshments at 7.30 and the gardens close at 9pm.

The cost is 10€ per person, payable in cash on the day.

September

5th September - El Portet walk, swim and picnic. Neil and Nic Laws

Meeting at 5pm at the paved entrance to El Portet beach, just beyond Moraira, we will walk up to the pepper pot on the headland behind/above the beach and then possibly explore an additional side path. We can then return to the beach, have a swim and a picnic. Park before the beach entrance on the left or right hand side as the P signs show and leave swimming and picnic gear in the car to be collected after the walk. It is possible to drive nearer to the start of the walk to avoid the steep road section, but the initial 5-10mins is still quite steep. Good views along the coast and to Calpe. Please contact Nic or Neil if needed. 634367639/634305509. Bring chairs and snorkeling gear.

24th September (Monday) - Full Moon Walk, Calpe - Tony Clark

Meet me at the Calpe station bar at 19.15 for pre-walk drinks or at the Olta campsite for the start of the walk at 20.00. We will be following the Join Tony for the traditional September moonlight walk traditional Olta circuit in an anti-clockwise direction. Apart from the initial climb up through the trees and the Little Olta canal, (done before it gets too dark!) the walk is on broad forestry tracks and will be taken at a nocturnal pace. Great views to the Bernia ridge from the "dark" side of Olta and then views to the bright lights of Calpe and Albir as we return towards the campsite.

The walk takes about 3 hours. Head torches would be useful but hopefully not necessary for most of the route as our eyes adjust to night vision. If you have any questions or want any further information then please contact
