

COSTA BLANCA MOUNTAIN WALKERS

End of Season walks and lunch

Wednesday 30th May 2018

Come and join us for what will be the last walks of the current walking season, with all walks starting and finishing at the Restaurante Amanecer, Carretera Cabo San Antonio, La Plana, Javea, 38.803372, 0.163475

We will then have our final lunch at this lovely restaurant, so please make sure you book early to avoid disappointment. Bring your swimming costume and towel, there's a lovely pool.

As usual there will be a selection of three walks to choose from, all starting from the restaurant, to help you develop an appetite for lunch.

Moderately Strenuous – Led by Peter Greene- Cova Tallada circuit -10 km 315 metres height gain, 10am start

A very pleasant walk with a level section, then steep descent (one section with chain) to Cova Tallada. Views through the roof into the cave & optional (if sea is calm and time allows) a steep descent (scrambling with chains) to a sea level traverse and into the impressive cave (torch useful, not essential). Followed by a coastal traverse with some exposure & steep ascent. Pleasant footpaths back to the restaurant.

Moderate – led by Christine Braid – Javea La Plana- 11km 200 metres height gain, 10am start

A delightful coastal walk with some fine views. Our route takes us to the windmills, down to the port, up to the lighthouse then along La Plana, past the monastery and back to the restaurant.

Easy – led by Martin Dunkley – Lighthouse circuit of La Plana- 8km – 50metres height gain, 10.30am start.

A two hour easy walk through the plana down to the lighthouse via the windmills, ideal for those that would like a gentle walk before lunch.
