

Spring 2020 Programme – update as at 14th March 2020

The Programme has been suspended, there will be no walks for the moment – please see below. It will be reinstated when we can and a notice will be published on Stop Press.

Important Message from the Chair

The Spanish Government has decreed a 'State of Alarm ' across the entire country in response to the coronavirus pandemic. Citizens are confined to their homes for 15 days from the 14th March and can only use public roads for eight reasons including the acquisition of food and pharmaceuticals and visits to health centres. They do not include social activities such as the CBMW walks. Therefore with regret all walks are cancelled until after the 30th of March. The situation will be closely monitored by myself and the other members of the Secretariat as to when we can restart walking.

Stay safe,

Veronica Dunkley (Chair)
