

CBMW 35 YEARS CELEBRATION

It is 35 years since the Costa Blanca Mountain Walkers was established. A small group of keen walkers arranged to meet at the top of Penon Ifach in Calpe and so began the CBMW. Since then many thousands of us have enjoyed being part of this very successful walking group. Two generations later we are still as active as ever with about 500 walkers participating in walks each year. To celebrate this milestone we have arranged three walks and an optional meal afterwards in Calpe. Walk places and lunch (if required) must be booked at least one week in advance using this link :-
